1. According to a Soviet officer in Weissenfels, the units stationed there were scheduled to leave for the training grounds on 10 April.
2. On 10 April, cattle was butchered in Wittstock for the troops who were to arrive at the Schweinrich training grounds during the following days. The troops began to arrive on 10 April. It was learned in Neuruppin on 12 April that thirty trains were scheduled to be unloaded in the Wittstock area. The unloading was to be completed by 18 April.
